EXPERIENCE

Shaare Emeth, Creve Coeur — *Lead Camp Counselor*

May 2010 - August 2017

Planned and led activities for children ages seven through thirteen.

I was responsible for supervision and ensuring the safety of the kids as well as working with various supporting counselors

Preferred Family Healthcare, Creve Coeur — *Site Admin*

March 2016 - July 2016

Managed a wordpress site for a non-profit based on sending drug/alcohol prevention information to teachers and parents of high schoolers. Wrote custom plugins and helped manage posts and layout.

C.O.D.E., University of Missouri — *Leader/Project Manager*

September 2017 - Present

In charge of managing groups of new and experienced students working on full stack development. Mentoring and teaching full stack technologies such as nodejs, express, mongodb, and more.
